

**CANDIDATE FOR TOWN COUNCIL MEMBER
TOWN OF APPLE VALLEY**

NAME: ELLIOTTE B. FAJARDO

AGE: 37

OCCUPATION: Businessman

As a lifelong High Desert resident, 20-year resident of Apple Valley, and Planning Commissioner for a decade, I will bring fresh perspectives to Town Government. As a husband and father of five daughters, public safety is my foremost priority. I will ensure violent criminals and sexual predators are removed from our community.

As a 6 ½ year veteran of the Apple Valley Planning Commission, I know how to preserve and enhance our "Better Way of Life", while at the same time working to ensure Apple Valley's growth and development contributes to our way of life rather than detracts from it.

I will bring industrial development and high income jobs to our Town that will allow families to spend more time together and our youths to gain an effective introduction to the world of work. Because of a lack of employment and after-school activities, many youth are at-risk of not living up to their potential. Through better relationships with parents and schools, I will correct this.

I stand for honesty, integrity and transparent government. The public trust will be well guarded on my watch. For information on how I intend to implement these goals, please visit my website at www.elliottbfajardo.com.
